## Fabric Information Overview

Item	Details
<b>Design</b>	Subtle leather-grain marine/commercial upholstery vinyl (Pacifica® Standard) engineered for heavy-duty indoor & outdoor use
<b>Composition</b>	PVC surface, foam-expanded with RESISTAIN® finish, bacteriostat treated; base cloth T/R (polyester/cotton)
<b>Fire Rating</b>	Tested to AS 1530.3 (Spread of Flame: 0, Smoke Developed: 5); also meets IMO MSC.307(88) maritime standard
<b>Abrasion Resistance</b>	≥50,000 Martindale cycles, Class 5 Heavy Duty (AS 2001.2.25 – 12 kPa)
<b>Primary Usage</b>	Heavy commercial, hospitality, healthcare, marine & outdoor upholstery
<b>Application</b>	Upholstery for indoor/outdoor seating in medical, educational, aged care, auditoria, and hospitality settings
<b>Environment Suitability</b>	UV-stable, anti-mould, mildew resistant, stain resistant, designed for extreme indoor/outdoor conditions
<b>Cleaning</b>	Regular cleaning of headrests, arms, and seat cushions is important to prevent hardening. Wipe with cloth or sponge moistened in warm soapy water, then dry with a soft clean cloth. Use mild, non-abrasive soap. Stubborn grime may need soft brushing. Avoid stiff brushes. For spills, blot immediately and test any cleaning agent on a hidden area first.
