Fabric Information Overview

Item	Details
Design	Solid plain weave; detailed surface appearance
Composition	100% Virgin Wool (non-metallic dyestuffs)
Fire Rating	Designed for heavy-duty commercial use, typically meets relevant standards
Abrasion Resistance	50,000 Martindale rubs
Primary Usage	Heavy-duty commercial upholstery and screen fabric applications
Application	Suitable for upholstery, screens, acoustic panels, drapery
Environment Suitability	Built for use in demanding commercial environments; eco-conscious manufacturing implied
Cleaning	Vacuum regularly. Blot spills with a clean cloth. Use mild wool detergent for spots. Professional dry clean recommended.
