### Fabric Information Overview

| Item                           | Details  |
|--------------------------------|--|
| <b>Design</b>                  | A linear, directional thread pattern is accentuated with an organic, chunky chenille feature yarn that provides a soft and tonal presence. It's almost reminiscent of an ancient rock formation layered over time with colour and texture maintaining a sophisticated formality. |
| <b>Composition</b>             | 100% Polyester   |
| <b>Fire Rating</b>             | Heavy Commercial rating; FR tested to AS/NZS 1530.3 - 1999 standards   |
| <b>Primary Usage</b>           | Heavy Commercial upholstery, including contract settings like hospitality, leisure, residential zones, etc.  |
| <b>Application</b>             | Ideal for heavy-use environments: upholstery, chairs, bars, lounges, café seating, etc.  |
| <b>Environment Suitability</b> | Built for indoor, high-traffic usage; includes HealthGuard treatment (antibacterial, antimicrobial, anti-dust-mite) and is bleach-cleanable.   |
| <b>Cleaning</b>                | Label 3 – Non Pile Fabrics.  |
